## ALL-DOUBLE PETUNIAS

SAKATA'S ALL-DOUBLE GIANT FRINGED STRAINS represent the highest horticultural accomplishment in this field. Acknowledged by countless testimonials to be 100% double, of stocky, healthy habit, and profuse bloom, little can be added. Flowers frequently exceed five inches in diameter and are exquisitely ruffled and fringed in a vast range of brilliant and intermediate colors. Being real money makers, they are in strong demand by florists. There are two strains:
